

Welcome To *The Team, Finn!*

We are excited to introduce our newest member of the COPE team. Please welcome Finn, our Therapy Dog. Finn is a 4-year-old, golden retriever who is trained, certified, and insured. Finn loves giving and receiving hugs wherever and whenever they're needed. Finn spends most of his time supporting students in local charter schools alongside his handler, Dr. Kim LaCivita. He brings comfort and joy to everyone he meets.
